Baraga Telephone Company's Demonstration of Compliance with Service Quality Standards and Consumer Protection Rules for Voice and Broadband Services:

In establishing this certification in its *2005 ETC Order*,¹ the FCC found that an ETC must make “a specific commitment to objective measures to protect consumers.”² The Commission found that for wireless ETCs, compliance with CTIA’s Consumer Code for Wireless Service would satisfy this requirement” and that the sufficiency of other commitments would be considered on a case-by-case basis.³ In this context, the FCC stated, “to the extent a wireline or wireless ETC applicant is subject to consumer protection obligations under state law, compliance with such laws may meet our requirement.”⁴

Baraga Telephone Company (“Company”) hereby certifies that it is complying with state and federal service quality standards and consumer protection rules. The Company is subject to consumer protection obligations for voice services under state law. These obligations include, but are not limited to, the following: (1) filing a Local Exchange Tariff pursuant to the requirements of The Michigan Public Service Commission (MPSC), as specified in Section 202(b) of the Michigan Telecommunications Act (MTA) and MPSC Case No. U-11103, which disclose rates, terms and conditions of service to customers; (2) adherence to Michigan state consumer protection requirements governing telephone providers, Prohibitions as identified in Sections 305 and 502 of the MTA, Costing

¹ *Federal-State Joint Board on Universal Service*, CC Docket No. 96-45, Report and Order, FCC 05-46 (rel. Mar. 17, 2005) (“*2005 ETC Order*”).

² *Id.* at para. 28.

³ *Id.* The FCC noted that under the CTIA Consumer Code, wireless carriers agree to: “(1) disclose rates and terms of service to customers; (2) make available maps showing where service is generally available; (3) provide contract terms to customers and confirm changes in service; (4) allow a trial period for new service; (5) provide specific disclosures in advertising; (6) separately identify carrier charges from taxes on billing statements; (7) provide customers the right to terminate service for changes to contract terms; (8) provide ready access to customer service; (9) promptly respond to consumer inquiries and complaints received from government agencies; and (10) abide by policies for protection of consumer privacy.” *Id.* at n. 71.

⁴ *Id.* at n. 72.

Procedures as determined by the MPSC in Case No. U-11103, and Compliance with Anti-Slamming Procedures as adopted in MPSC Case No. U-11757 and Case No. 11900; and (3) CPNI, Red Flag Rules and other federal and state requirements governing the protection of customers' privacy.

The Company is subject to consumer protection obligations for broadband services under federal law. These obligations include, but are not limited to, the following: public disclosure of accurate information regarding network management practices, performance, and commercial terms of broadband internet access services; as a means of providing sufficient information for consumers to make informed choices regarding use of such services, and for content, application, service and device providers to develop, market, and maintain internet offerings as specified in F.C.C. 47 C.F.R. Part 8 §8.3. The Company furthermore will comply with all requirements set forth in the *2015 Open Internet Order* when it becomes effective.

Baraga Telephone Company's demonstration of ability to function in emergency situations for voice and broadband services:

Baraga Telephone Company ("Company") hereby certifies that it is able to function in emergency situations as set forth in the Code of Federal Regulations, Title 47, Part 54, Subpart C, §54.202(a)(2)¹ and the Michigan Telecommunications Act (MTA). The Company's network is designed to remain functional in emergency situations without an external power source, is able to reroute traffic around damaged facilities, and is capable of managing traffic spikes resulting from emergency situations as required by Section 54.202(a)(2). The Company can change call routing translations as needed to reroute traffic around damaged facilities. Changing call routing translations will also allow the Company to manage traffic spikes throughout its network, as emergency situations require.

Specifically, each central office building is supplied with standby generators and battery back-up that enable the central office to keep running until power is restored so long as fuel is available, or until system changes are made to reroute traffic. The Company has battery backup at all office locations and in its electronic equipment sites in accordance with the specifications identified in Section 305c(a) of the MTA, 484.2305c Emergency power requirements; compliance.

The company's standby generators and battery back-up support both voice and broadband network equipment should an emergency situation occur. The company complies with the FCC's backup power requirements, effective October 16, 2015.

¹ Section 54.202(a)(2) requires ETCs that are designated by the Commission to "demonstrate its ability to remain functional in emergency situations, including a demonstration that it has a reasonable amount of back-up power to ensure functionality without an external power source, is able to reroute traffic around damaged facilities, and is capable of managing traffic spikes resulting from emergency situations."

REVISED 4/2017

**Michigan Lifeline Administration Service
Lifeline Household Worksheet**

Lifeline Program support is a federal benefit that provides a monthly discount on home phone (i.e., landline phone) or cell phone service. **Only one Lifeline Program-supported service per household** is allowed under Federal law. Answer the questions on the following page to determine if there is more than one household living at your address, and if your household already receives a Lifeline Program benefit.

Providing false information on this form may result in losing your Lifeline Program-supported service and possible criminal penalties.

Your household is everyone who lives together at your address and contributes to, or shares in, the income and expenses of the household. Household expenses include food, health care expenses, and the cost of renting or paying a mortgage on your place of residence and utilities. Income includes salary, public assistance benefits, social security payments, pensions, unemployment compensation, veteran's benefits, inheritances, alimony, child support payments, worker's compensation benefits, gifts, and lottery winnings.

Members of a household are not permitted to receive more than one Lifeline Program-supported service. You are receiving a copy of this form because records indicate that more than one person at this address is receiving a Lifeline Program benefit. Each person at this address who receives a Lifeline Program benefit and has not yet completed and returned a household worksheet will receive a copy of this form, pre-populated with his/her name, address and telephone number.

If you DO NOT share income and expenses with the other adult(s) living at this address who receive Lifeline Program benefits, or there are no other adult(s) living at this address receiving Lifeline Program benefits, you **MUST STILL** sign this form to continue to receive your Lifeline Program benefit. If you fail to do so, you will be de-enrolled from your Lifeline Program benefit.

If you live with another adult(s) who shares income and expenses with you and who has a Lifeline Program benefit on his or her phone service, your household is receiving more than one Lifeline Program benefit. If so, you **MUST** take the following steps: (1) consult with the other adult(s) in your household currently receiving a Lifeline Program benefit and decide who will keep the Lifeline Program benefit for the household; and (2) the person who will keep the Lifeline Program benefit, AND ONLY THAT PERSON will fill out the form IN FULL and return it to his or her telephone service provider within 30 of days of the date of this communication. The telephone number listed on this form will be the number which will retain the Lifeline Program benefit.

If the PERSON IN YOUR HOUSEHOLD WHO WISHES TO KEEP THE LIFELINE PROGRAM BENEFIT FOR THE ENTIRE HOUSEHOLD HAS ALREADY PROVIDED a household worksheet to their service provider, then NO FURTHER ACTION IS NECESSARY. (The person named below does not need to sign and send this form to their Lifeline provider).

After 30 days of the date of this letter, all other subscribers at this address below who have not completed a household worksheet will NO LONGER have a Lifeline Program benefit.

 Lifeline Household Worksheet

Name

Lifeline is a government program that provides a monthly discount on home or mobile telephone services. Only ONE Lifeline discount is allowed per household. Members of a household are not permitted to receive Lifeline service from multiple telephone companies.

Your **household** is everyone who lives together at your address as one economic unit (including children and people who are not related to you).

The **adults** you live with are part of your **economic unit** if they contribute to and share in the income and expenses of the household. An **adult** is any person 18 years of age or older, or an emancipated minor (a person under age 18 who is legally considered to be an adult). Household **expenses** include food, health care expenses (such as medical bills) and the cost of renting or paying a mortgage on your place of residence (a house or apartment, for example) and utilities (including water, heat and electricity). **Income** includes salary, public assistance benefits, social security payments, pensions, unemployment compensation, veteran's benefits, inheritances, alimony, child support payments, worker's compensation benefits, gifts, and lottery winnings.

Spouses and domestic partners are considered to be part of the same household. Children under the age of 18 living with their parents or guardians are considered to be part of the same household as their parents or guardians. - If you checked **YES**, you may not sign up for Lifeline because someone in your household already receives Lifeline. Only ONE Lifeline discount is allowed per household.
- If you checked **NO**, please answer question #2.

2. Other than a spouse or partner, do other adults (people over the age of 18 or emancipated minors) live with you at your address?

LOCAL TELEPHONE EXCHANGE SERVICE

LIFELINE SERVICE

B. REGULATIONS

1. Regulations specified elsewhere in the Company's tariffs apply to Lifeline Service.
2. Lifeline Service is available only with residence services, excluding foreign exchange service. Lifeline Service is limited to one line per household at the customer's primary residence.
3. A miscellaneous service charge does not apply when Lifeline Service is added or discontinued to existing service when that is the only work being done.
4.
 - a. A discount of 20% of the Basic Local Exchange rate or \$11.25 whichever is greater, on the monthly rate for Basic Local Exchange Service for Lifeline customers is applicable. For Lifeline customers 65 years of age or more, the discount will be 25% of the Basic Local Exchange rate or \$12.35, whichever is greater. The total discount shall not exceed 100% of all end-user common line charges and the Basic Local Exchange rate.
 - b. The credit will be applied in the following order: (1) The Interstate End User Access Charge, National Exchange Carriers Association, Inc. Tariff F.C.C. No. 5, Section 17.1.2.(A); (2) The Access Recovery Charge, National Exchange Carriers Association, Tariff F.C.C. No. 5, Section 17.8; and (3) The balance of the credit, if any, will be applied as a credit to the Basic Local Exchange rate.
 - c. Qualified participants residing on Tribal lands will receive, in addition to the discounts listed above, an additional federal approved credit of up to \$25.00 applied to the remaining charges after the credit in (b) above is applied. The additional federal approved credit will be applied to any amount remaining after credits in (b) above are applied: in the following order: (1) The Interstate End User Access Charge, National Exchange Carriers Association, Inc. Tariff F.C.C. No. 5, Section 17.1.2.(A); (2) The Access Recovery Charge, National Exchange Carriers Association, Tariff F.C.C. No. 5, Section 17.8; and (3) The balance of the credit, if any, will be applied as a credit to the Basic Local Exchange rate.
 - d. The Company will provide, at the qualifying customer's option, toll blocking service at no charge. The Company defines toll blocking as a service provided by the Company that lets the customer elect not to allow the completion of outgoing toll calls from their telecommunications channel.
 - e. The Company will not require a service deposit in order to initiate Lifeline Service if the qualifying customer voluntarily elects toll blocking service.
 - f. The Company will not disconnect Lifeline Service for non-payment of toll charges by qualifying customers.
5. The Lifeline plan will apply after receipt and processing of a completed Company or community/government provided application, including documentation indicating that the household income meets the eligibility standards established above.
6. Customers of Lifeline Service must notify the Company of any changes which would affect qualification. Reverification of eligibility will take place on an ongoing basis. When the customer is no longer eligible for Lifeline service, the Lifeline discount would be discontinued and regular tariff rates and charges would apply.
